

Annika Chapa Bio

My name is Annika Chapa.

I am the San Antonio Charro Queen. I am beyond excited to start my term as queen with the San Antonio charro association.

I have been riding with this ranch for more than 5 years.

I love riding, I first got on a horse when I was seven, and I was charmed right away. I enjoy being an Escaramuza, I think it is such a beautiful sport with many meticulous details. I have a horse named Mora that has been with me since I started riding. She was my first horse and helped me with my journey of becoming an escaramuza.

I am in 9th grade in Brandeis HS, and also enjoy soccer and dance. I am in the pep squad of my High School. I recently started playing more soccer. I like being on the field and playing with my friends. I have been dancing with my school ever since I started high school. My favorite kind is contemporary dance.

I am so excited to be able to experience San Antonio's Fiesta from a different perspective. I cannot wait to be with the community and to show up at the events. I especially cannot wait to see everyone at the Old Day In Mexico event.
